

Montana Bowhunters Association
30th Annual Convention
March 14 – 16, 2008
Hilton Garden Inn, Missoula, MT

Manufacturers Row:

These exhibit areas allow vendors to display products and services during the annual MBA convention. The booth area normally consists of an 8-foot table with chairs and room for your displays and additional products behind the table.

There are a limited number of spaces where additional room could be reserved for larger items such as full-bodied mounts or hunting blinds etc. Please let me know as soon as possible if you require this additional space. Also, if you require electrical power, please make note below so that we can plan accordingly.

Exhibitor space is located in the large rotunda of the hotel. Manufacturers Row and all exhibits will be locked and secured at the end of the each evening and be unlocked only when MBA personnel can be there to make sure the area is staffed.

The cost of a booth for the weekend is \$250. A donation of an item of \$250 or greater value automatically qualifies the donor for free booth. Reservations are made on a first-come, first-served basis. Your timely response not only guarantees your reserved space, but also allows us to more effectively plan for the weekend. Detailed information will be supplied at a later date.

Again, thank you for your support. I look forward to working together with you to you make this weekend a success.
